

## American Lincoln Parts

American Lincoln Parts - Now connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the business they are known in the industry as providing strong and durable machines that satisfies all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind model of floor scrubber along with the Clarke Company which is now also owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These kinds of scrubbers are available in the market under the brand name "Encore". American Lincoln can provide warranty service, machines and parts for these scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of various facility supervisors where efficiency and results make a difference. Lately, this particular floor scrubber model has been utilized by the architects in various construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location because of the model's high standard of quality and supreme performance level for polishing concrete.
