

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Providing products, solutions and services to be able to ensure efficiency and to increase the productivity within industrial, commercial and residential environments, Ingersoll Rand is very proud provider of products that help enhance the safety, comfort, security and health of people all around the globe.

The Climate Solutions sector delivers a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a maker of food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building services, parts support and advanced controls for both residential homes and commercial buildings.

Ingersoll Rand's Industrial Technologies sector provides products and solutions which improve their clients' productivity, operations and energy efficiency. The product series is diverse ranging from tools and pumps, fluid and material handling systems to complete compressed air systems. They have also developed Club Car, the international leader in utility and golf vehicles meant for companies and people.

Popular brands like Trane and Schlage compromise the Residential Solutions business, delivering comfort, safety and efficiency to home owners all across North America. Several of their innovative quality products consist of mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies offer products which ensure safe, productive and secure environments. This division's market leading products include floor and door closers, exit devices, portable security devices, electronic and biometric cabinet hardware, access control systems, steel frames and locks and doors, decorative hardware and locksets. Schlage even has products that offer personal, time and attendance scheduling systems.
