Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than 60 years combined experience with successfully designing, developing, marketing, manufacturing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to offering new design concepts and top quality in order to meet the diverse requirements of their customers.

TREK Cleaning Machines continually offers fresh design concepts as proven in their product development. They enjoy offering items which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK likes handling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills along with their comprehension of cleaning applications, together with owners' strong desire to significantly lessen cost through productivity gains.

The employees at TREK and their dealer-partners are really devoted to having both technical support and parts obtainable when it is needed. Their high service dedication is amongst the core values in their customer service. Keeping their clients' cleaning equipment ready and functioning daily is top priority. The company's top of the line technology delivers dependable equipment that ultimately lowers your cost of cleaning. The product, the price and the service all work as one in order to make them the leader in the business.
