Advance-Nilfisk Parts - Imagine how tiresome it will really be to clean up your house right after throwing a large party, without help from cleaning machines. In the past, when upholstery and carpets had the dirt beat out of them by hand; brooms, cleaning cloths and brushes were the leading cleaning materials during that time.

The man who founded Nilfisk-Advance, P.A. Fisker, started as an electrical engineer who liked to work on electrical motors. After establishing his business in 1906, he began to produce motors to drive fans, machine tools, drills and coffee grinders. Mr. Fisker's vision from the beginning was to have a worldwide business selling products worldwide.

The Nilfisk C1 was a remarkable breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and can be operated by a single individual. This invention came in a time where numerous cleaning machines were huge and needed 4 or more operators, therefore, the Nilfisk C1 transformed everything and developed the method we clean forever. The mastermind behind these very first cleaning machines remains unparalleled. Cleaning equipment offer a brilliant solution to an existing problem; things get filthy and need to be cleaned frequently, without too much effort.

Slowly but progressively, Nilfisk-Advance grew through the decades. In the nineteen eighties, this expansion truly took place when the company became a part of the NKT Group. Their new owners' ambition and focus made Nilfisk-Advance take a huge leap ahead within the trade, aiming to be amongst the biggest international players in the market of professional cleaning machines. Nilfisk-Advance is presently found in all parts of the world due to steadily acquiring a lot of smaller businesses so as to grow their product range and presence in new markets. They are proud to present a range of cleaning solutions to meet every requirement.
